DESCRIPTION

Inspired by the organic, undulating shapes of desert cactus, this lamp strikes a balance between minimalism and playfulness. Hand built by Nani Goods with a speckled clay body and then finished in a matte white glaze. Tapered linen shade and brown twisted cloth cord. Nani Goods, founded by multi-disciplinary designer and artist Steven K Lancaster, seamlessly blends folk art's charm with contemporary minimalism. Handcrafted in Los Angeles, each piece reflects a passion for infusing art into functional wares, winking at tradition while embracing contemporary aesthetics. Made to order, please inquire for current lead time.
